All,

You are the only ones that I am sending this initial research to. It is my understanding that this FOIA is the same as the previous ones and that this one will be referred to FOIA online once the first one is finalized. **Please respond by Monday 4/13/2015** if this is the right understanding.

The Region 6 Superfund Division has been assigned FOIA request # EPA-R6-2015-005894, for information pertaining to CES Environmental Services (TXD008950461), located at 4904 Griggs Road, Houston, Texas 77021.

The Requester is seeking any information the U.S. Environmental Protection Agency Region 6 Superfund Division may have regarding identified business entities, which have been identified as Potential Responsible Parties that could have liability associated with the management and cleanup of the facility listed above. Specifically, the requester would like a copy of the following:

- *Request for a Copy of the Updated Identified Business Entity List for CES Environmental Services, Incorporated – Houston, Texas Superfund Site.*

You have received this email because you have been identified on the Site Responsibilities List in SEMS. **If this request does not pertain to your branch, please consider this email for information purposes only.**

It is Toeroek's understanding, that due to the nature of this request, all responsive information will be provided by Bob Werner. The requester has provided a *\$0 fee commitment*, and this is a *Commercial Requester*. This *Single-Division* request is due on May 4, 2015. If you have any questions regarding the research, please let me know.

When replying to emails with your response, please reply to all. Thank you.
